“ My name is Dorine Mwesigwa, commonly known as ‘Eagle Mum’ on Facebook. I have lived a huge part of my life in the United Kingdom, another part in Germany, and my early childhood in Uganda, my country of descent.

I’m so passionate about establishing this WTM Centre in West Midlands, UK, because I strongly believe that more and more people should hear this. I just want this information for everyone. Literally. Nobody should miss out on this.

I don’t even know if the words that I can use can do Jeremy Griffith’s work any justice. I can only try, because this book will heal you; it will heal you psychologically, mentally, physically, emotionally. It is just therapy; it’s therapeutic.

I wrote the *Iron Eagle Mum* book based entirely upon my personal lived experiences; the traumatic experiences I encountered in all the three countries I have lived in. However, I turned it all around by choosing to beat my challenges and I came out on the other side as a victor, which then turned me into the life-transformational coach that I am today.

I’m an author of two other books, namely *Transformation from the Inside Out* and *Dorine’s Golden Transformation*. So I’m all about transformation, and that’s how I came in touch with the World Transformation Movement.

I’m also an inspirational speaker. And I’m an award-winner; someone recognised me and they said that they wanted to award me this Purpose Excellence Award for the philanthropic work that I was doing.

I’m also a mother of four beautiful children: two girls and two boys. I am a student of theology; I have a Bachelor’s and a Master’s degree in theology. My faith is what people would call Christianity, but I’d rather call myself a child of God. I’m a believer in God.

After having immersed myself in his work, I can safely deduce that Jeremy's book *FREEDOM: The End Of The Human Condition** is by far the only book that has been written that provides the accurate and profound explanation of the human condition. When you delve deeper and deeper into this book, it continues to teach you; it ministers to you; it doesn't stop. The words are *so* powerful and meaningful, that's why it's my point of reference, just like my Bible. So this book is going to go far—we're going to take it far!

[*Holding FREEDOM*] **'The book that saves the world.'** That line is very powerful—**'The book that saves the world.'** Because that line says exactly what that book has done for me. This book has saved my life, because at the end of the day I wrote *my* book in the hope that it was going to be therapy for me, but even after I'd written it I still felt an emptiness. But *FREEDOM* has filled that void that I felt. There's no more void; I feel accomplished [fulfilled].

So that's it! I believe that whatever this book has done for me it's going to do for others. I can't put it into words...language is poor to describe the feeling that Jeremy's book has given to me. It is a feeling you feel and you just can't express. Like love—love you feel; you can't express it so much as in action. It's there, but you can just feel it, and you want other people to feel it. That's the only way I can explain what I'm feeling, by taking this message out there and allowing someone else to experience it for themselves. That is the best gift I can give someone else; it is a gift, because at the end of the day this right here is truth. It's truth in all of its authenticity. And I don't know how to put it; it is truth. It is what people need. It's what the world needs.

It's a book you can always refer back to. It's not a book you read once and then you shelve it. I have read a number of books, but there are books that I've read and have shelved many years ago now; I read a book, I'd exhaust it and that was it. Jeremy's book: you don't exhaust, not one day; it is a book that will enrich you every time you read it, and it will speak to your situation, always. Because it's so inspirational, it's so therapeutic. People should just get it, that's all I can say! People should just go get it! So I would urge someone to go get the book *FREEDOM*; it's on Amazon. And you can get a condensed version of the book [*Transform Your Life And Save The World**] through audio, which I got myself in the beginning. You can download it for free from www.humancondition.com*. I also have the printed book; you can buy that one or you can also download the book itself. Get it!

I will leave you with a Bible scripture, which also ties in with this; it's Hosea 4:6 and says: **'My people are destroyed for lack of knowledge'**. So for me this is very significant, because I wrote my book and felt accomplished, but I tell you what, until I read *FREEDOM* I wasn't. So for me this knowledge showed me the destruction that had come with my ignorance, so I'm thinking: go get the book! [*Smiles*] ”
