## The October 2020 Global Transformation Meeting: A wonderful night for the world!!

The October Global Transformation Meeting of WTM Centre founders and supporters was a wonderful testament to how the explanation of the human condition brings relieving, reconciling and healing understanding to all our lives.

It was evident in the words and faces of everyone who spoke how this understanding calms all the distress in people's lives and brings relief to all the madness; how it frees us all from the pain of the human condition. It was truly a wonderful night for the world!!
