The World Transformation Movement Facebook Community Group is a place for you to talk about biologist Jeremy Griffith's all-redeeming and all-transforming breakthrough explanation of the human condition. There is much to consider and digest, so it really does help to discuss with others the understandings and their transforming effects—so join in all the excitement and fellowship in this new WTM Facebook Community Group—and help transform the world because at last we really can!

— And stay tuned for news about our main WTM community, which will live on our website and on the WTM App, as that will be coming very soon! —
