

### 3. ABOUT THE WORLD TRANSFORMATION MOVEMENT

#### WTM FAQ 3.8 Does the WTM run courses?

The WTM provides a free WTM Deaf Effect Course—see [Video/Freedom Essay 13\\*](#)—to help overcome the ‘deaf effect’ difficulty of reading about the historically, but no longer, unbearably confronting subject of the human condition.

The situation is that while we humans have lacked the redeeming explanation of our seemingly horrifically flawed human condition, we have had no choice but to live in deep psychological denial of the subject. It follows then that when the relieving understanding of that condition arrives, as it now has, we will initially find the analysis difficult to read. The WTM Deaf Effect Course that is presented in [Video/Freedom Essay 13\\*](#) is designed to overcome this initial difficulty of reading about this historically off-limits subject.

We also highly recommend you [subscribe to our mailing list\\*](#) to receive two [Freedom Essays\\*](#) each week. The essay series—which starts with *THE Interview\**, and includes the 14-part [Introductory Series\\*](#) of videos at the top of our homepage—covers the main subjects in biologist Jeremy Griffith’s definitive book *FREEDOM: The End Of The Human Condition*, and so offers an easy way to access *FREEDOM* in wonderfully illustrated bite-sized portions! The series also covers topics of interest (such as war; the conflict between science and religion; personal testimonials on how this resolves racism and sexism; analysis of great artists and thinkers; the fossil record, and much more) to demonstrate how all aspects of human life can be explained and resolved now that we have understanding of the human condition.

The WTM also provides a network of support through our [membership\\*](#) facility, where members can discuss these ideas and share their experiences with other WTM members via email and video conferencing calls.
