

3. ABOUT THE WORLD TRANSFORMATION MOVEMENT

WTM FAQ 3.3 How do I contact my nearest WTM Centre?

WTM Centres are located across the world—in Australia, Asia, Africa, Canada, Europe, New Zealand, South America, the UK, USA, Asia—and further Centres will continue to open as support grows for biologist Jeremy Griffith's all-important breakthrough understanding of the human condition. (You can read more about the growth of WTM Centres in [Freedom Essay 16*](#).)

If you live in one of these regions and would like to contact the Centre nearest you, please click on the relevant link below to be taken to that Centre's website. For those not living in the vicinity of a WTM Centre, please use the [Sydney contact form*](#):

In addition to contacting WTM Centres directly, the [Transformation Page*](#) on our www.humancondition.com website shows numerous ways in which you can interact with us and others interested in this information, including our [Forum*](#), where you can start your own topics and read and respond to what others have to say; our [Chat*](#) facility, where you can live chat with a WTM member; and of course, our [Social Media*](#) channels, which provide powerful insights, images and videos on this whole new human-condition-understood paradigm of thought.

You can also [subscribe to our mailing list*](#) to receive two Freedom Essays each week. These essays cover the main subjects in Jeremy's definitive book *FREEDOM: The End Of The Human Condition*, so this is an easy way to read *FREEDOM* in wonderfully illustrated bite-sized portions!!

Finally, becoming a [member*](#) is the ultimate way for people to participate and support this project. Once you become a WTM member, we will put you in personal contact with a current WTM member who will be available to email, call and interact with you so you can talk about the transformation of the world and your personal journey within this new human-condition-reconciled paradigm.
