

Please note that Jeremy Griffith's 2016 book, **FREEDOM: The End Of The Human Condition*** is the definitive presentation of his breakthrough biological treatise on the human condition, and along with **THE Interview*** and **Transform Your Life And Save The World***, is the recommended access to these understandings that save the world. Jeremy Griffith's book **Freedom Expanded*** presents the expanded, comprehensive account of his insights, which means it will eventually incorporate the content of all his books and writings, including the publication below.

Beyond The Human Condition

by **Jeremy Griffith***, published 1991

OVERVIEW

Jeremy Griffith's second book elaborates on the biology presented in his 1988 book, *Free: The End Of The Human Condition*.

- It introduces simple illustrations and analogies to convey the core concepts.
- It examines issues such as Science & Religion, Politics, and Psychiatry.

FOREWORD

By twice honoured Order of Australia recipient and renowned mountaineer, Tim Macartney-Snape AM OAM.

REVIEWS & COMMENDATIONS

In October 1989 review copies of a booklet titled *Reconciliation*, which was an early version of *Beyond The Human Condition*, were sent to virtually all science journals around the world; over 800 were sent in total.

Reviewers include Emeritus Professor of Biology and Templeton Prize winner Charles Birch, and Emeritus Professor of Zoology and theologian John Morton.
