Make a Donation to the WTM

The WTM is a global not-for-profit movement supported by the efforts of members, volunteers and supporters from around the world, and through donations. There is no charge for subscription or membership. All the written and audio-visual material on this website is made available free of charge, and other products on this website, such as T-shirts, can be purchased at cost price. So donations to this absolutely critically important project are incredibly precious.

The WTM has two registered charities that you can donate to, depending on where you live in the world.

If you live in Australia, you can donate to World Transformation Movement (ACN 003 930 023), which is registered with the Australian Charities and Not-for-profits Commission and holds Authority to Fundraise for Charitable Purposes No CFN 13531 (NSW).

If you live in the USA or anywhere else in the world, you can donate to World Transformation Movement, Inc. which is a charitable organization operated pursuant to an exemption granted by the Internal Revenue Service under section 501(c)(3) of the Internal Revenue Code (USA).

Where in the world would you like to donate from?
