

Please Note: *FREEDOM: The End Of The Human Condition** is the concise, main presentation of Jeremy Griffith's breakthrough biological synthesis on the human condition, however, his book *Freedom Expanded* presents the comprehensive account of his insights, which means it will eventually incorporate the content of all his books and writings. Constantly being added to, *Freedom Expanded* comprises two books: *Freedom Expanded: Book 1*, and *Freedom Expanded: Book 2*.

Freedom Expanded

by **Jeremy Griffith***, 2009

Freedom Expanded: Book 1

Freedom Expanded: Book 1 presents the dreamed-of biological explanation of the human condition that ends our species' underlying psychosis and transforms the human race.
