

FREQUENTLY ASKED QUESTIONS

1. ABOUT THE HUMAN CONDITION AND ITS RESOLUTION

- 1.1 What is the human condition?*
- 1.2 How does science currently explain the human condition?*
- 1.3 What is Jeremy Griffith's explanation of the human condition?*
- 1.4 How can everyone's lives now be immediately transformed? / What is the transformed state? / How is the transformation that this information brings about different to deferring to a religion?*
- 1.5 Why is understanding the human condition important to my life?*
- 1.6 Why this solves everything.*
- 1.7 What scientific support does this work have?*
- 1.8 What is Professor Prosen's background?*
- 1.9 Should people be sceptical about the claims about this work?*
- 1.10 Is the explanation of the human condition a testable hypothesis? / Is the explanation a 'non-falsifiable', circular argument?*
- 1.11 Where do you recommend I start with this?*
- 1.12 What subjects are covered in Jeremy Griffith's book *FREEDOM*?*
- 1.13 Is this idea original? / How does biologist Jeremy Griffith's 'instinct vs intellect' explanation of the human condition differ from other theories that recognise these elements?*
- 1.14 Why aren't these ideas mainstream?*
- 1.15 If this is biology, why are there so many religious references?*
- 1.16 Why can't I understand what this is all about? / Why is *FREEDOM* so hard to read? / Doesn't the book need serious editing? / Why is there so much apparent repetition? (Deaf Effect)*
- 1.17 Shouldn't your website be toned down, all the 'hyperbole' removed and the 'congested', 'loud' and 'aggressive' layout replaced with a gentler, more welcoming format?*

- 1.18 Do those who can easily understand this information (and don't suffer from the usual 'deaf effect') have a special responsibility to support it? / Is it true that those who can easily understand this information are dangerously inclined to use the information to make themselves more successful rather than help the WTM spread the precious understanding that finally allowed them to understand the world? / Is there a danger of 'ships at sea' 'pocketing the win'?*
- 1.19 A caution about the danger of over-exposure / Advice for people with mental health issues*
- 1.20 What scientific evidence is there for the 'instinct vs intellect' explanation of the human condition?*
- 1.21 Is Jeremy's analysis of E.O. Wilson wrong, vengeful, unkind and/or egocentric? / Is there a contradiction where *FREEDOM* quotes E.O. Wilson admitting the truth that finding understanding of the human condition is all-important and then condemning him for presenting a false explanation of the human condition? / Is E.O. Wilson conscious of being the 'architect of destruction of the human race', and if not, should he not be condemned? Should *FREEDOM* condemn E.O. Wilson's ideas rather than Wilson himself?*
- 1.22 Shouldn't *FREEDOM* overlook the WTM's persecution? / Is the WTM being vengeful by including the persecution of the WTM? / Negativity should be removed from *FREEDOM* to help people access it.*
- 1.23 What is the significance of the 'Mexican Standoff' where you don't want to deny the truth of the explanation of the human condition but also don't want to accept all its exposing and confronting implications? / Why can people become so angry and defensive with this information that they unreasonably try to find fault with both it and the WTM, typically saying such things as "You people need to be more accepting of criticism, like listen to my ideas on how to overcome the 'deaf effect'", and "You are using the circular, non-falsifiable argument to block me, where if I complain you say it's because I'm alienated, defensive and deaf", and "You are just being unnecessarily off-putting by making claims such as this information saves the world and telling people they're alienated and that the left-wing is threatening to destroy the human race"? / Why do some people want to call the WTM a mind-controlling cult when it's obviously the opposite of that since it's all about providing understanding that empowers a person's mind to think, not take away their ability to think? / Why can people become so confronted by and angry with the information that they are tempted to join the truth-hating attackers of the WTM? / Why did Plato say that the cave prisoners would initially be unable to hear "a single one of the things that they are now told are real", which is the 'deaf effect' problem, and even say the cave prisoners would try to kill the person who tries to release them from the cave? / What is the significance of the phrases "The truth hurts", and "Denials fight back with a vengeance when faced with annihilation"? / What is the real meaning of the concept of 'judgment day'?*
- 1.24 What is your advice to people who are enthusiastically wanting to communicate to others Jeremy Griffith's world-saving explanation of the human condition?*
- 1.25 Does Jeremy Griffith cherry-pick quotes from other thinkers, manipulate them, use them out of context, omit key words and passages, misrepresent or misinterpret them, in order to pervert their real meaning and fit an untrue theory? *
- 1.26 What is soul, have we all got one, has it been repressed, and if so, how do we rehabilitate it?*

❖ 2. ABOUT BIOLOGIST JEREMY GRIFFITH

- 2.1 Who is Jeremy Griffith?*
- 2.2 Who are some thinkers Jeremy Griffith admires?*

❖ 3. ABOUT THE WORLD TRANSFORMATION MOVEMENT

- 3.1 What is the WTM?*
